

Authentic Unity

Make every effort to keep yourselves united in the Spirit, binding yourselves together with peace.
Ephesians 4:3

What is Authentic Unity?

Across the Region, our voices call out for time to speak safely about what matters, to tell our own stories and honor those of others, to dismantle racism and bias. Our voices call out for the unity that is the polar star at the heart of our identity as Disciples, unity that is truth-telling and authentic.

The 2022 Regional Assembly, AUTHENTIC UNITY, will give space to these calls of the spirit and lead us through reflection of histories, structured conversation to address what matters, and give foundation for the way forward in our ministry and work over the next two years.

Guest Speaker— Kaitlin Curtice

AUTHENTIC UNITY involves the willingness to tell our own story and honor the stories of others. That's why we have invited Kaitlin Curtice to share her journey of self-discovery and to lead us to reflect on our own formation histories.

Ms. Curtice is a Native American Christian author and speaker and an enrolled member of the Potawatomi Citizen Band. As someone who has grown up in the Christian faith, Kaitlin writes on the intersection of Indigenous spirituality, faith in everyday life, and the church.

Kaitlin travels around the country, speaking on faith and justice within the church as it relates to Indigenous peoples. She has been a featured speaker at Why Christian, Evolving Faith, Wild Goose Festival, The Festival of Faith and Writing, and more.
